

Mississippi State University Poultry Coloring Book

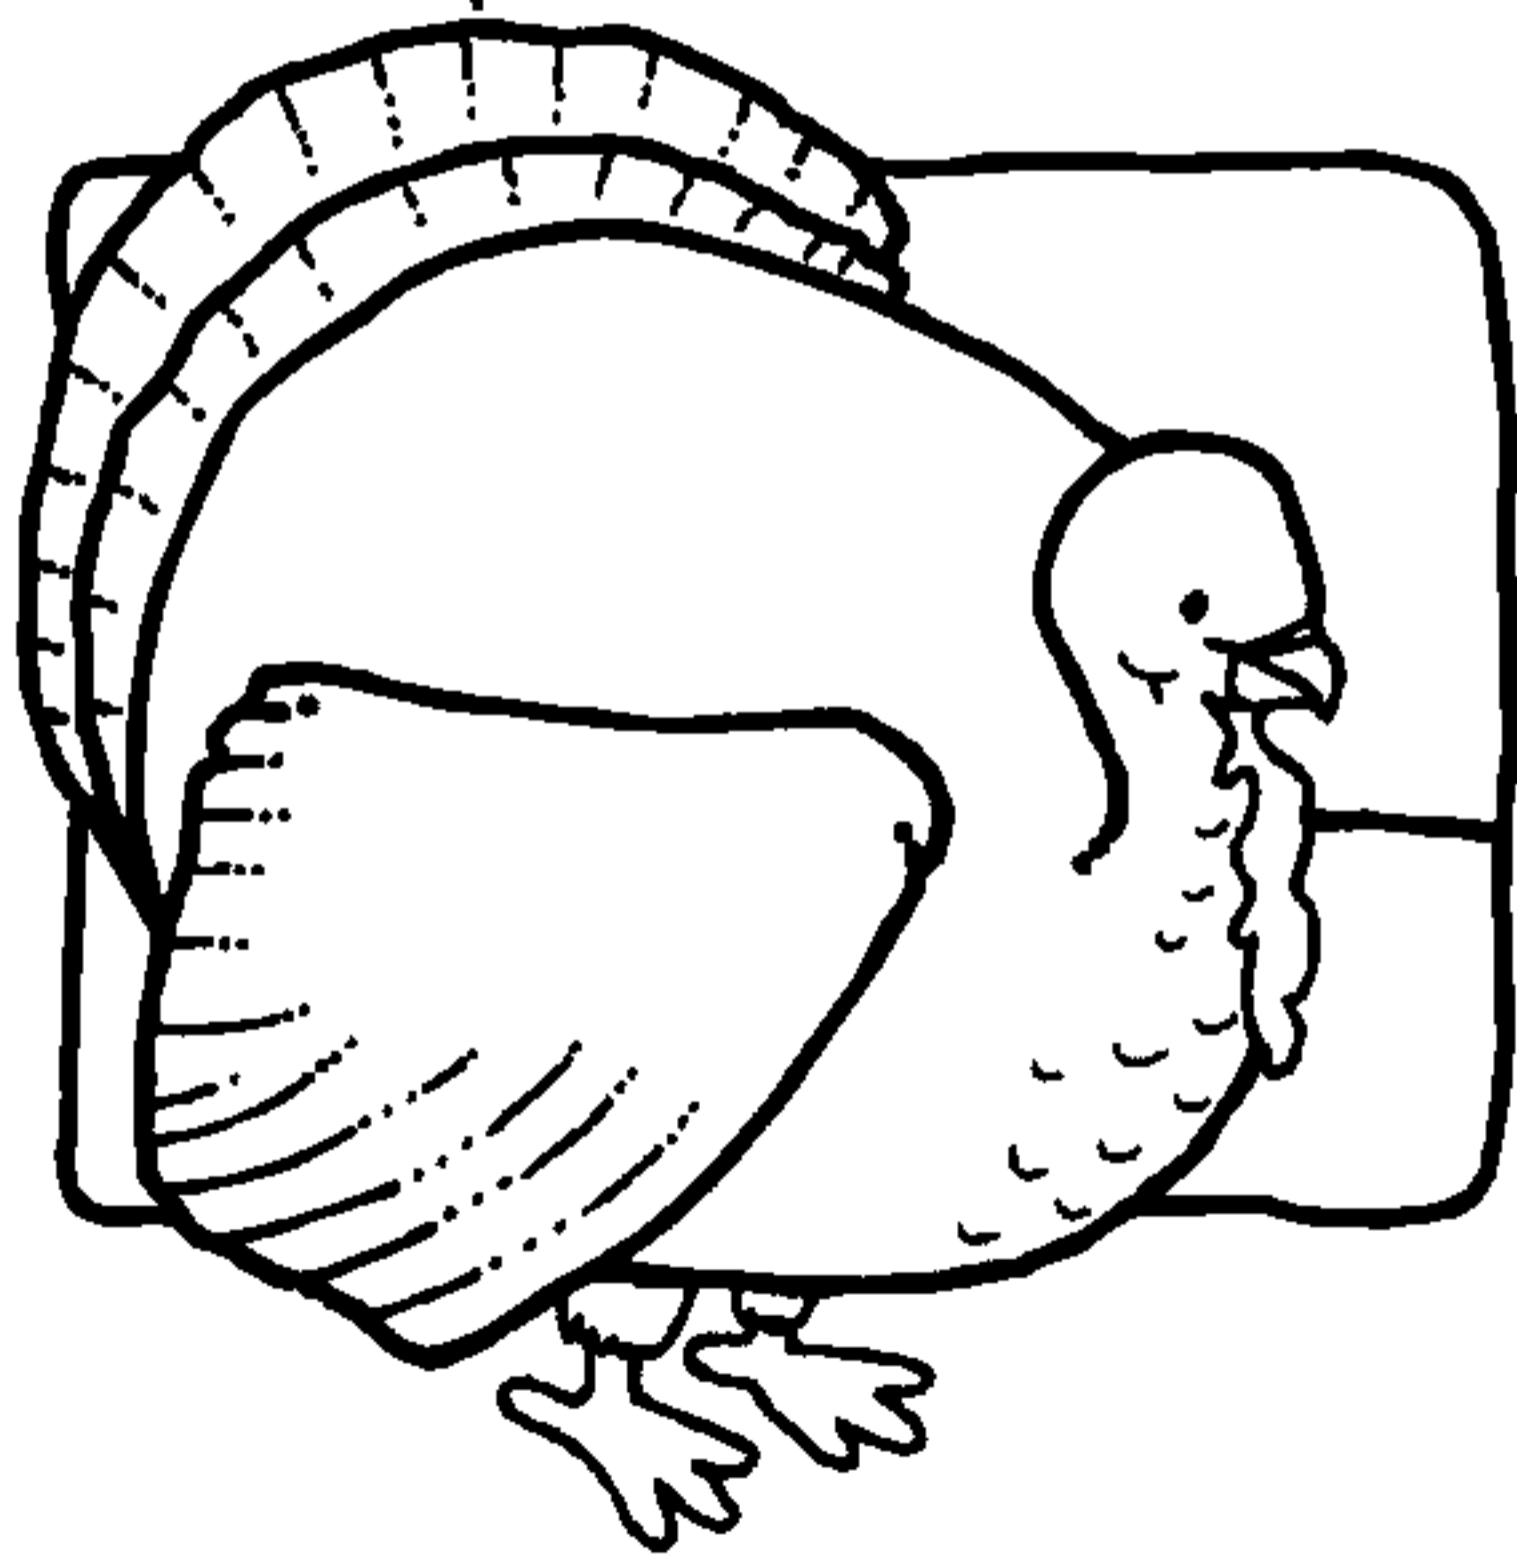

Dakota Chamblee, Age 10

Department of Poultry Science

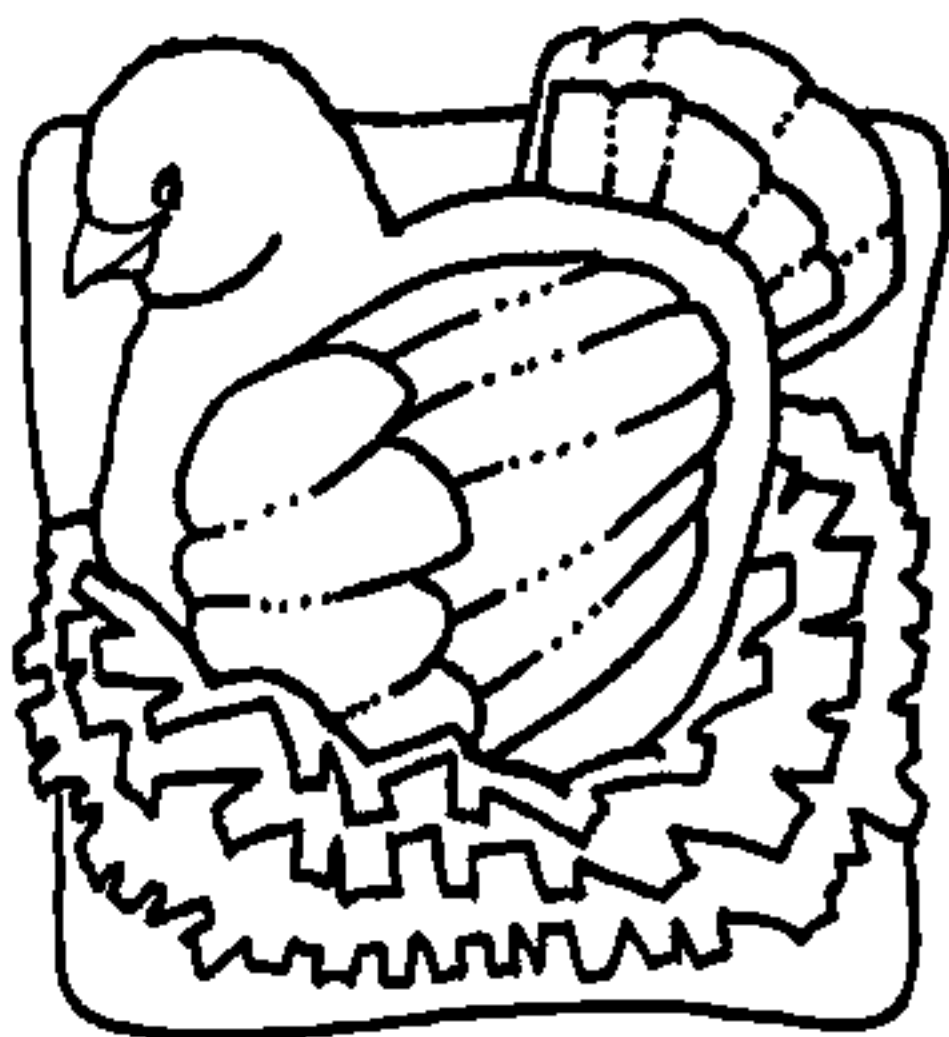

Poultry is a name for birds
that we grow for food.

The turkey we eat on
Thanksgiving is poultry.

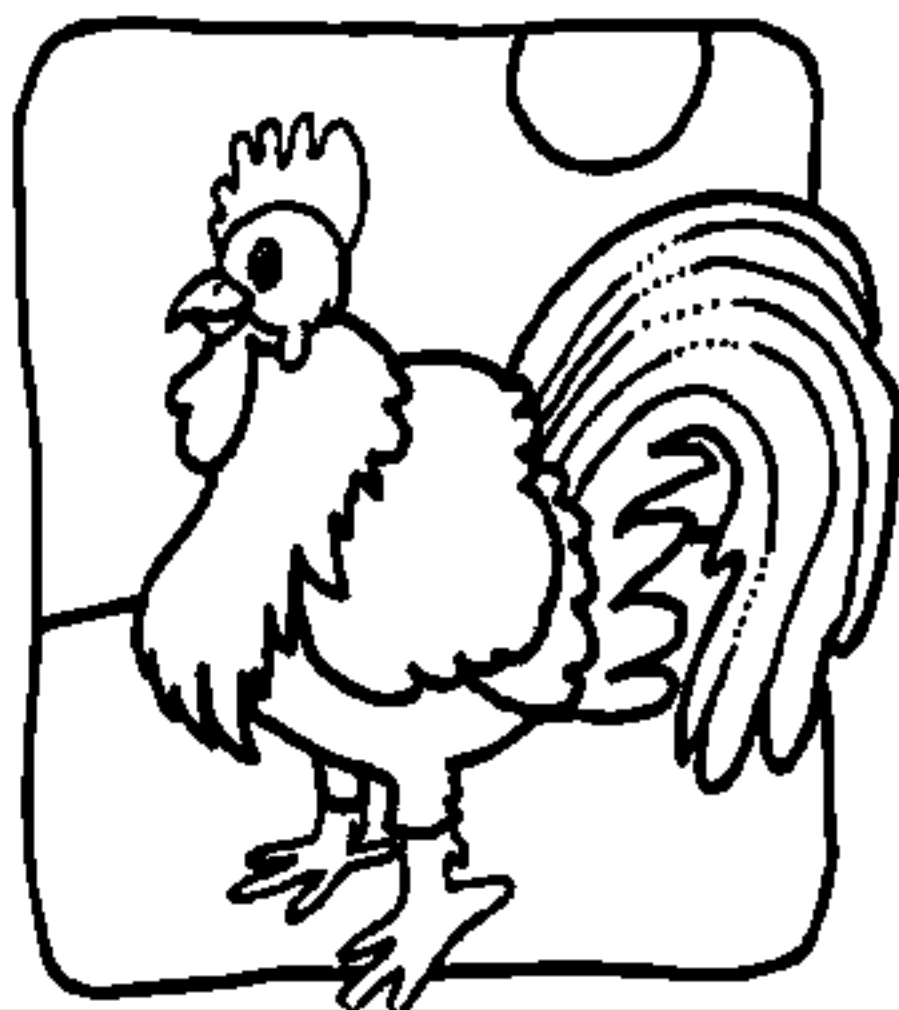

The hen that lays the eggs
we eat is poultry.

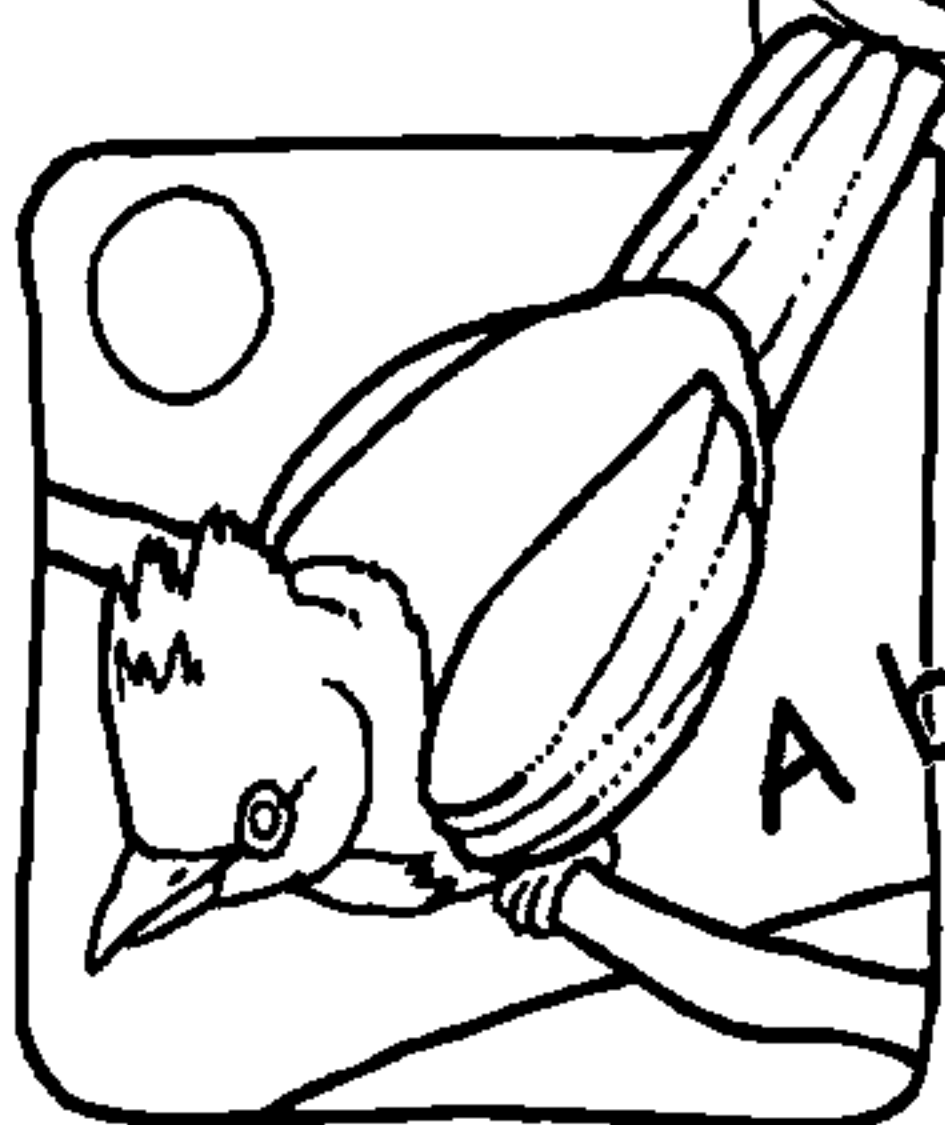

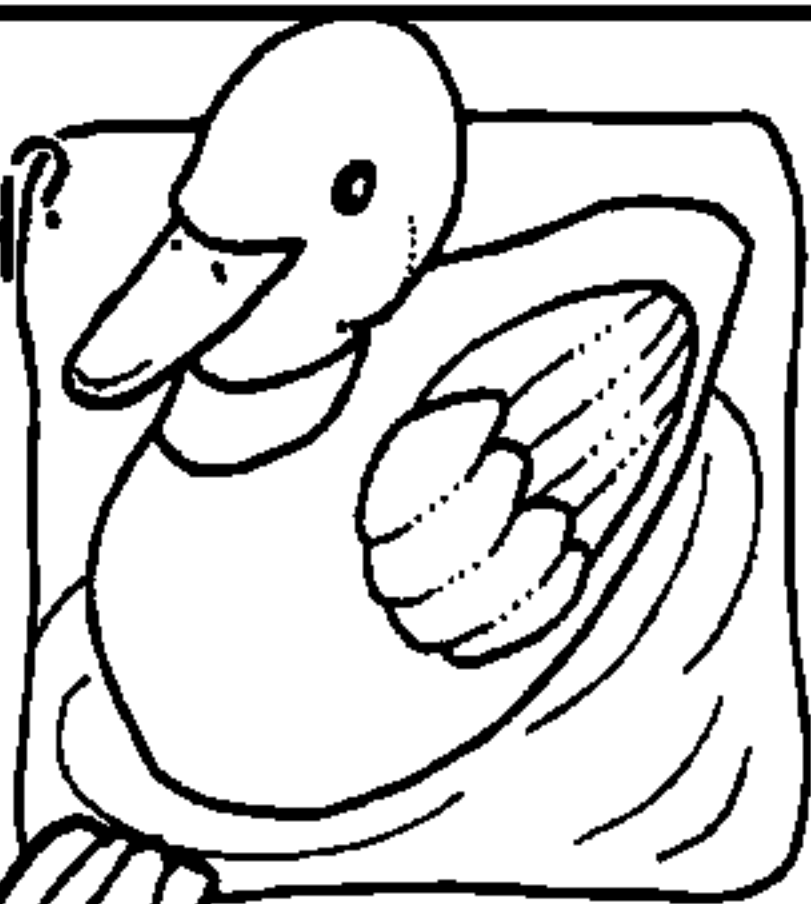

So is fried chicken!

The rooster that wakes us
up in the morning is poultry!

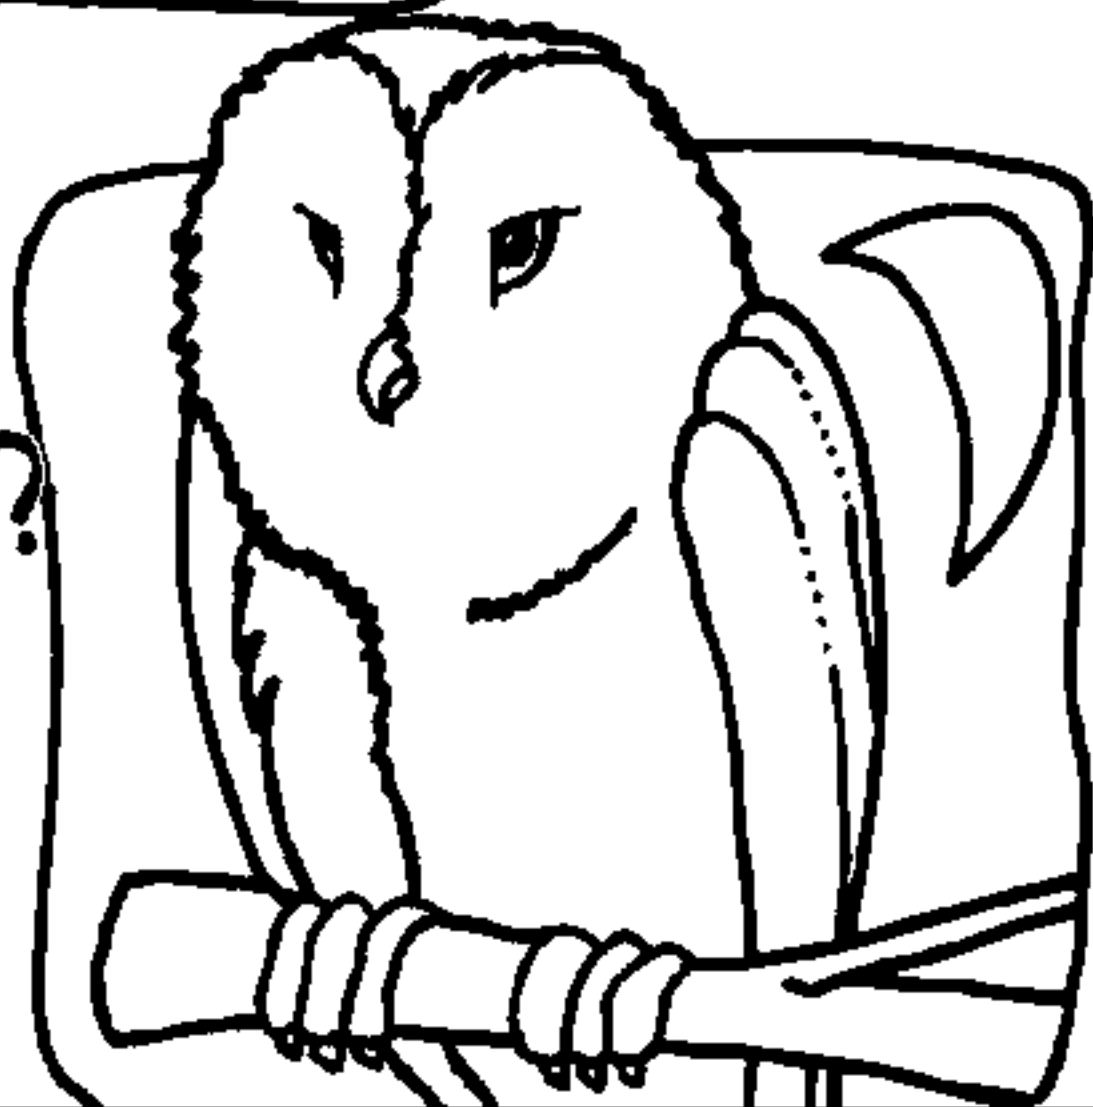

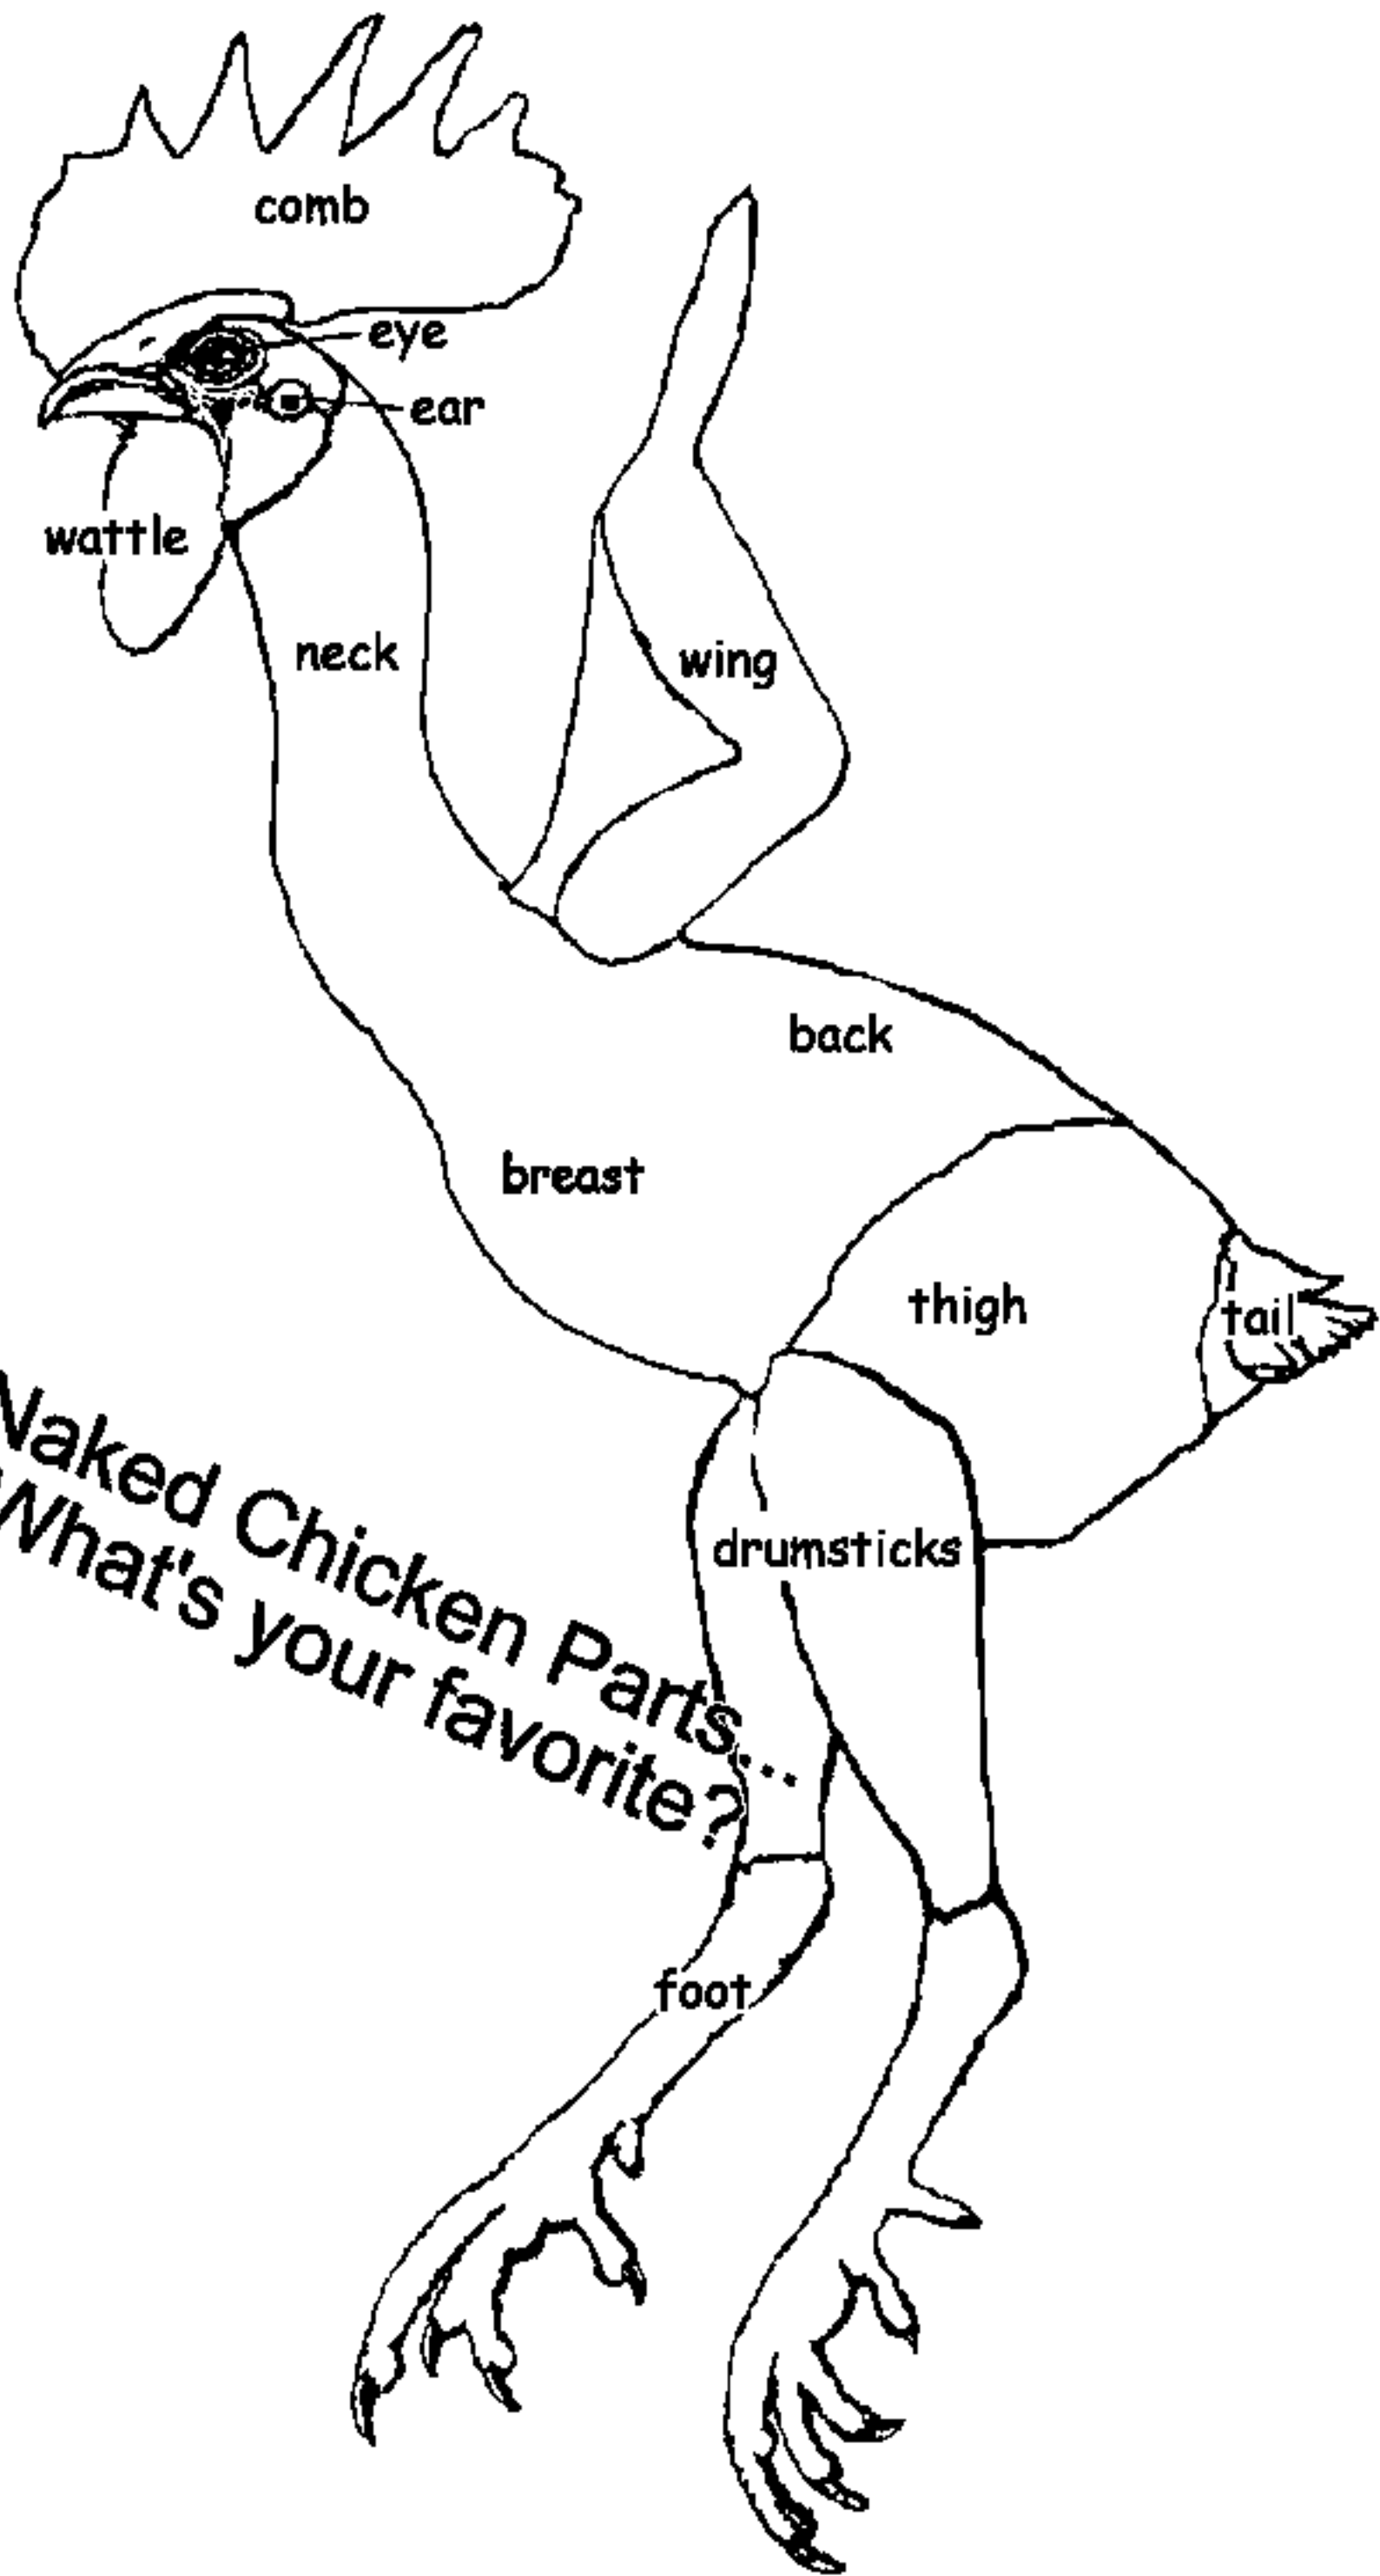

Is duck poultry?

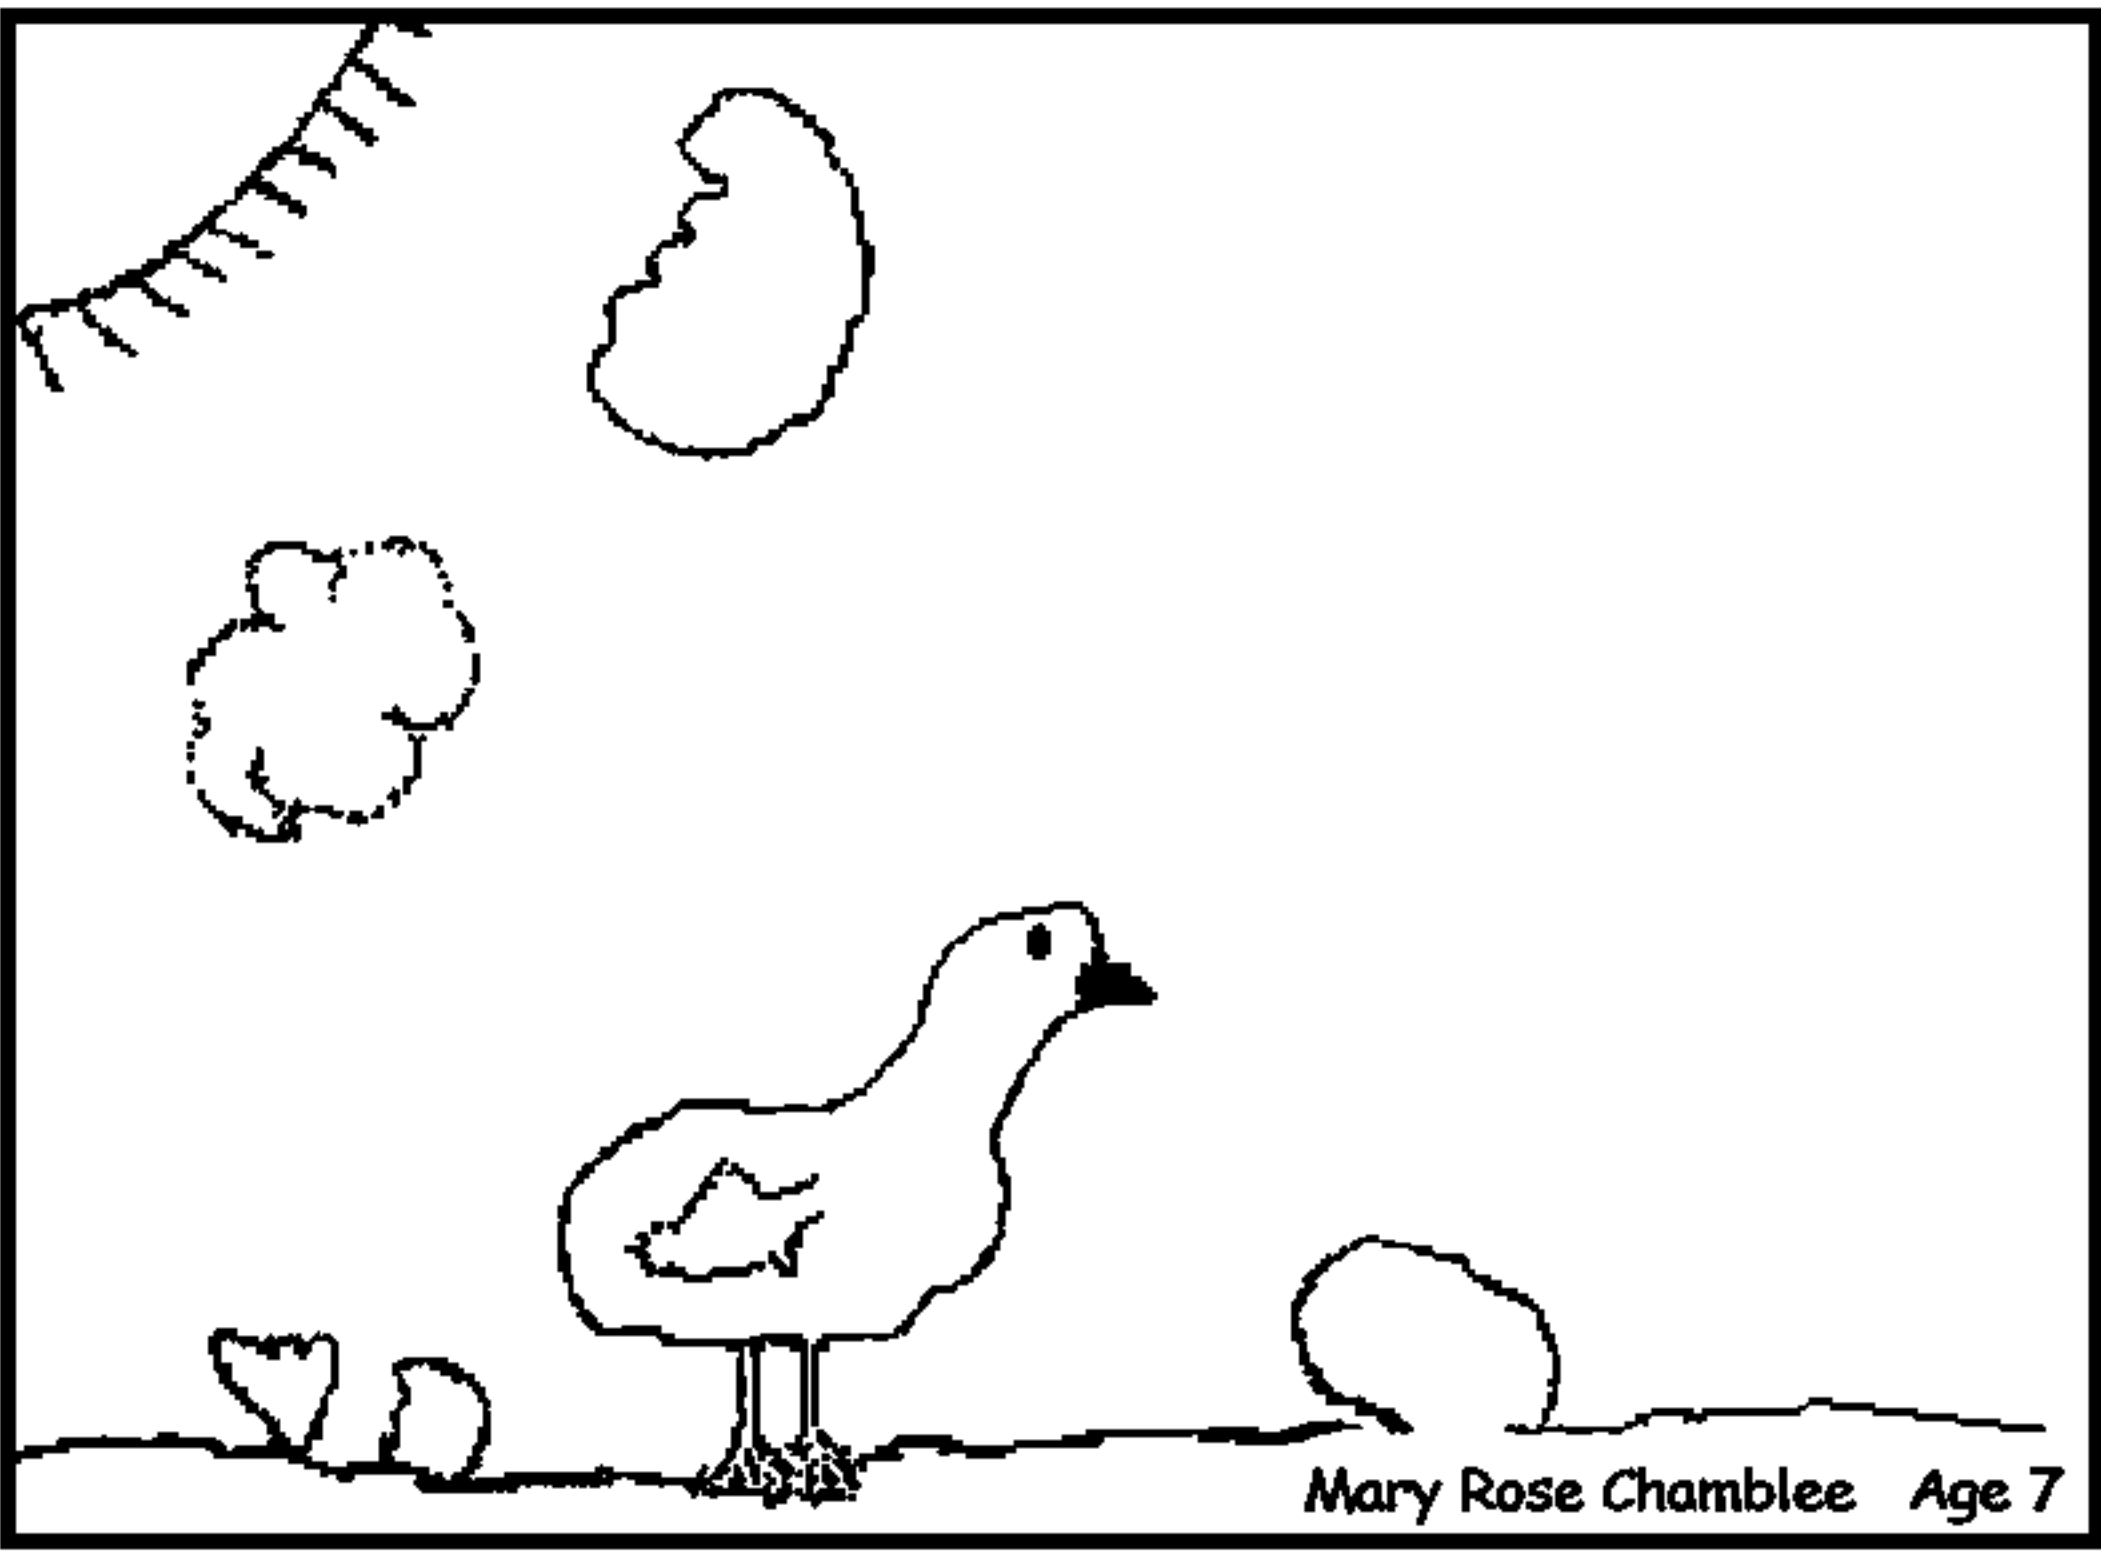

A blue jay?

An owl?

Naked Chicken Parts...
What's your favorite?

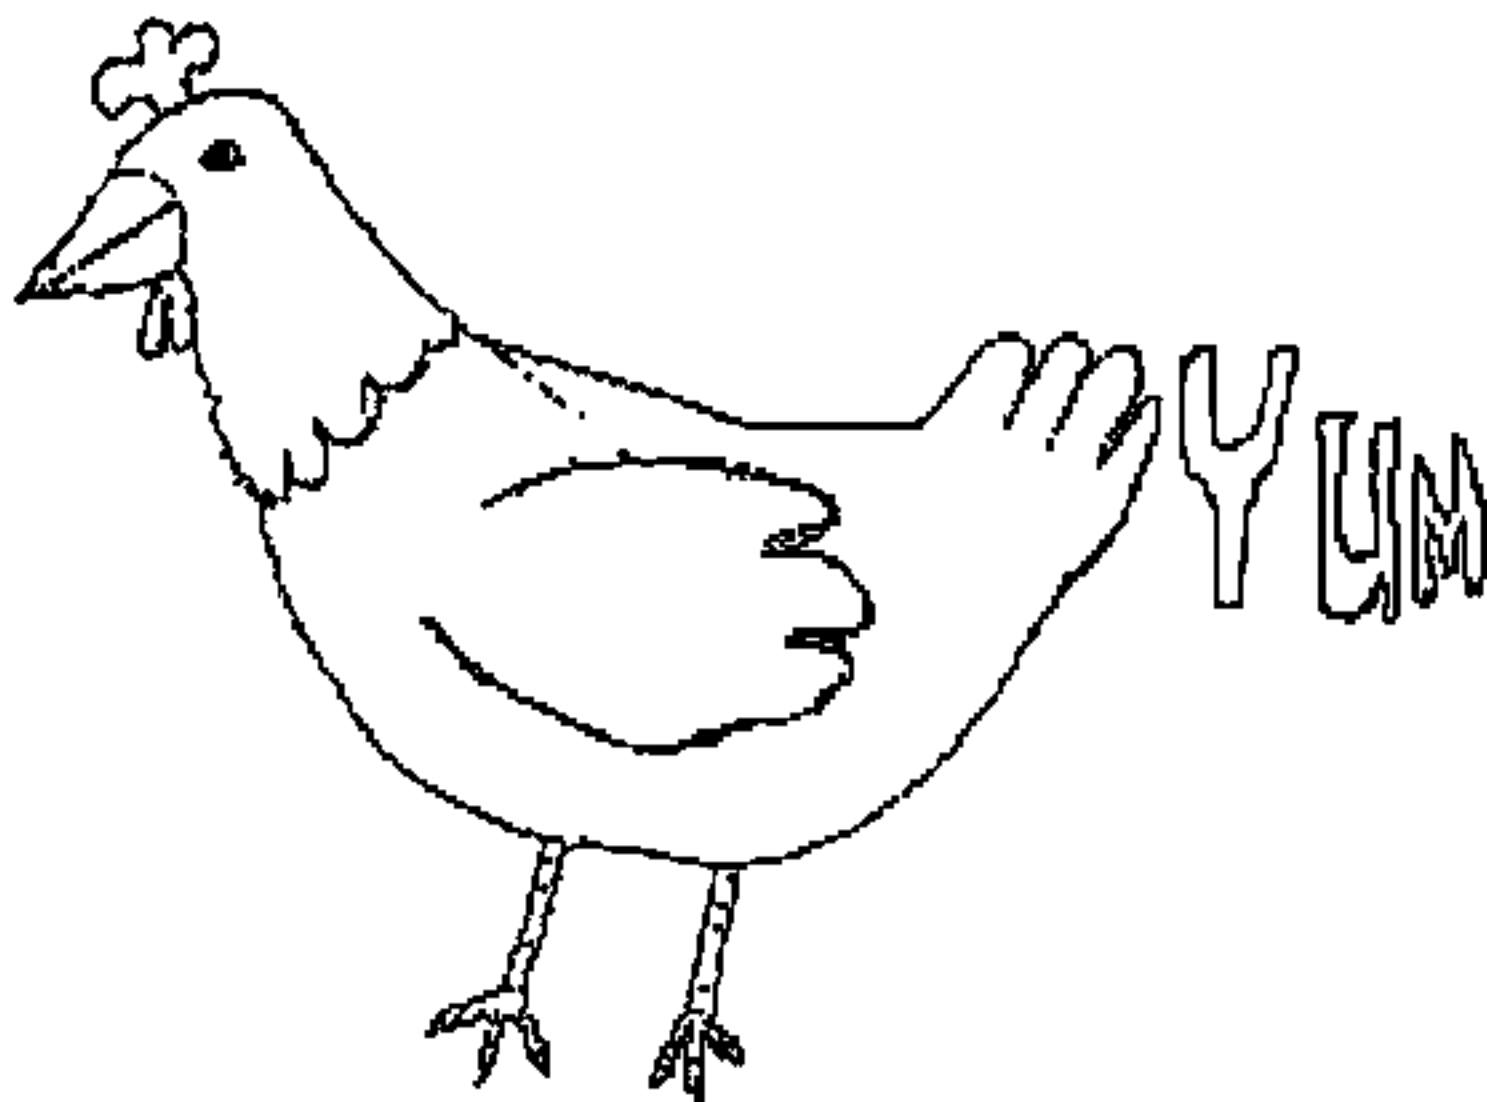

Mary Rose Chamblee Age 7

More chicks to color....
